How many DC motors can be found in Romeo?

Win a Sphero Ollie by answering this quiz question in maxon motors magazine.

Tough and Smart, the Sphero Ollie is a water resistant, shock proof, app driven robot that delivers extreme fun. Reaching 22.5kph Ollie can do hundreds of tricks and at up to 30m away via a Bluetooth connection. maxon motor is giving away 3 of these robots and all you have to do is read the latest edition of maxon motor’s driven magazine. Not that this is a chore! The latest edition features articles from all over the world that exhibit the latest robotics and automation technologies. Dr Urs Kafader tutors us on controlling multiple motor axis in robotics covering both the mechanical aspects and motor control. The maxon motor magazine for tablet format contains interactive multimedia features and can be found on the Apple App Store and Google Play.
