

## Discontinuation of USB sticks for the ESCON and MAXPOS products.

maxon are discontinuing the USB sticks supplied with the ESCON and MAXPOS products. The information is instead available online.

When customers purchase MAXPOS or ESCON products they have the option to purchase a memory stick of all the documentation, corresponding firmware and software. The demand has decreased significantly for these USB sticks and therefore maxon will discontinue to manufacture them. Instead this information is available online at the maxon motor website. The current setup, product information and supporting documentation are accessible for free download at:

[escon.maxonmotor.com](http://escon.maxonmotor.com)

[maxpos.maxonmotor.com](http://maxpos.maxonmotor.com)

For customers who wish to order the USB stick maxon is accepting orders up until July 31, 2019 and the last dispatch date will be January 31, 2020.

For further information on DC motor controllers and accessories please contact maxon motor Australia tel. + 61 2 9457 7477.
